The Truth Shall Make You Free!

The Lord has opened several doors for us to witness to Cypriots this past month. Our language teacher, who has been Greek Orthodox his entire life, engaged in a discussion on baptism. He knows what he's seen in his religion, but he searched the etymology to the word "baptism" in the New Testament and realized the Orthodox Church is not baptizing according to the Scripture. We had an amazing time discussing the Scripture with him, and reminding him the Word of God is our only guide to salvation. He is beginning to see that our only goal is not to convince him of our opinion, but to introduce people to what the Word of God says. Please pray for God to continue to open doors of hope to those who only know empty tradition but have never experienced the life-changing power of Jesus Christ! There is a harvest in this region!

We were blessed to host a guest minister, Brother Kris Tapia, a fellow-laborer in the country of Turkey and a dear friend. He was such a blessing to the church and it was refreshing to fellowship with him during his brief stay.
