Sunday School

We started a Sunday School program the first Sunday of June and it has grown every Sunday since it began. For most of the children, this is the first time they have been involved in any children's church program and it is their first exposure to the Truth. We are very excited about where this is leading. Several parents have expressed personal interest since their children have been attending, and some of the children are getting help from their parents for Scripture memorization.

Praise Reports

On Sunday, June 4th, a lady walked in the church door with tears streaming down her face. We had met her last May when we visited Crete in 2016. Since then, she had stopped coming to church and had been away for eight months. We prayerfully contacted her when we arrived here, but we had received no response until the morning she walked in. She said a voice had been telling her for two days that she needed to come back to church. She has been baptized, but we are praying that she will receive the Holy Ghost. God is working in Anna-Liza's life!

On Sunday, June 11th, a first time visitor from another religious group came and was touched by the Lord. Pray that God will continue to draw her.

Looking Ahead

In July, we will travel to Athens to assist with the national Vacation Bible School and to teach and preach at the national Youth Camp. Please pray that God will touch the lives of these children and youth in a powerful way. We do not know who at these events might one day work in the Kingdom of God!

Upon our return to Crete, we will hold a ladies' meeting for which we expect attendance from other ladies in the community. We also plan to meet for Bible study with an interested group on the West end of the island, in the city of Chania, about a two-and-a-half-hour drive from Heraklion. This has been in the works for some time, but we are praying the door will open when we return from Athens.

Thank you for all of the prayers and financial support. Please continue to pray for us and for the lost souls of this nation! May God richly bless you for your involvement in His Kingdom.
