## The Church Marches On!

February was a month of continued revival. The spirit of the church in Larnaca is very pure and unified for which we rejoice. The church continues to grow spiritually and new people are finding their place in the Kingdom.

Two backsliders prayed back through to the Holy Ghost in February and one has attended consistently after being away from the Lord for several years.

We have temporarily had to move services online due to nation-wide lockdowns.

God is moving in a mighty way in this region and we believe the Coronavirus pandemic is stirring people who have been content for a long time as uncertainty spreads across the world. The challenges of the world are opportunities for the church to shine God's light. We know the Healer, the Way-Maker, and the Master of the Storm!
